

Teaching and Research Winery at RMI

Join the LEEDing Winery

Our new winery is designed to achieve **LEED** (Leadership in Energy and Environmental Design) **PLATINUM** certification through the U.S. Green Building Council, and will be the first such winery of its kind in the world. We seek your support as we complete our fundraising for equipment or consider becoming one of our “LEED Platinum Partners.”

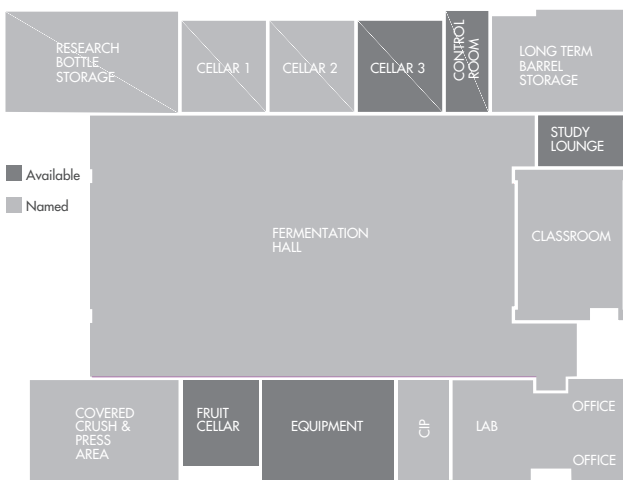

Donor Recognition Opportunities

Naming opportunities allow UC Davis the ability to publicly recognize the generosity and commitment of donors to the RMI vision.

Naming opportunities are still available.
